MEMORANDUM FOR THE CHAIRMAN, SECURITY COMMITTEE

SUBJECT: Proposed DCID 1/____, "Security Policy Concerning Travel and Assignment of Personnel with Access to Sensitive Compartmented Information"

1. We do not concur in the language of paragraph 4, Unofficial Travel, as proposed by you on 26 May 1976.

2. We recommend the following language for that paragraph as more appropriate:

"4. Unofficial Travel

Persons granted authorization for access to certain categories of Sensitive Compartmented Information (SCI), especially sources and methods, incur a special security obligation which may require their refraining from unofficial visits to, or travel through, the countries listed in Appendix A. The DCI, in consultation with SIOs, will identify the categories having special sensitivity and the SIO concerned shall advise persons with such access that unauthorized travel in the listed countries may result in the withdrawal of access to SCI."

3. Should this recommendation not be agreed in, I request it be forwarded as my dissent.
